

## **ON and OFF PREMISE CATERING**

As many of you know, The Barn has been servicing the catering needs of the community for close to twenty years now.

That's a whole lot of Graduation Parties, Rehearsal Dinners, Weddings, Bar/Bat Mitzvahs, Corporate Functions, Reunions, BBQs, you name it, we done it.

So, with the addition and renovation of our lakeside deck & patio, we can now say without hesitation, we have one heck of a facility for any party needs.

For any specific questions on times and available dates, call and ask for Michael or Dean.
