## At The Black River Barn

### A Sizzling Summer Here At the Barn!

What a whirlwind of activity the past few months, with the renovation of our upper and lower lakeside patio & riverroom, we were able to accommodate graduation parties, rehearsal dinners, reunions, showers, Jersey style BBQs and a la carte lunch and dinners. The lake provided many of our patrons the chance to dine while watching the sunset, listening to live music Sunday afternoons, and their children the chance to stay occupied while watching the birds, fish, and turtles that reside in our lake. The menu was filled with summer specials like fresh oysters, steamers, crab, shrimp, and lobster, not to mention our signature BBQ Platter. Thanks to the great weather, great food and great people, we kept ourselves more than busy all summer long. Keeping it fresh and cutting edge is what keeps everyone coming back time and time again. So we'd like to extend a special thanks to all of our loyal Barn guests, new and old, you have truly made this your Hometown Restaurant.

### Taste Our Fall Fare and Our Outrageous Oktoberfest Menu

The Fall season is the favorite time of year for many of our patrons, and there is a simple answer why, the fall menu of course. For starters, our famous Butternut Squash Soup is back, so you can stop bugg-en us already! Specials like Pepper Berry Tuna, Fire Grilled Lamb Chops with Chipolte Mustard & Corn Relish, and The Harvest Salad with Grilled Turkey London Broil & Dried Cranberries. What would the Fall be without our Authentic Oktoberfest menu complete with Sauerbraten, Knockwurst & Bratwurst with Bass ale Kraut, Beef Roulladen and classic Oktoberfest Beers. So that's just a taste of what we consider the most exciting time of the year, but don't take our word on it, try it yourself.
